

Declaring a Major in Electrical Engineering

- **Fill in the requested information** below.
- **Declare the major on Axess. Do not declare the EE Honors major** at this time (if you decide to do an Honors thesis, you will declare EE Honors on Axess later).
- Bring this form and an unofficial copy of your transcript to an interview with Associate Chair of Undergraduate Education **Professor John Pauly** (pauly@stanford.edu; Packard 358).
- Once you have met with Prof. Pauly (to discuss the major and determine who your initial advisor will be), this form will be returned to the Degree Progress Officer Laura Krebs (lwuet72@stanford.edu). She will approve your major declaration and enter your advisor in Axess.
